

A DREAM IN BLUE: THE UPDATED PASSIER TEXTILE COLLECTION

The elegant Passier Textile Collection with perfectly matching pieces in blue is a true eye-catcher. New: now with updated look with tri-color surrounding braid and prominent coat of arms with red border.

Cooler Rug: The soft and comfy cooler rug with coat of arms has a practical hook and loop fastening at the front under the flap with Passier lettering. It is available in the sizes S to XXL.

Fleece Bandages: The soft, elastic and robust bandages with Passier lettering and practical Velcro fastening perfectly match the other pieces in the collection!

Anti-Fly Hood: The crocheted anti-fly hood with coat of arms convinces with its elegant look and perfect fit.

Breathable Saddle Cloth: The finely woven outer material is neatly quilted with a special „open-pore“ under material. This breathable material combination reduces pent-up heat and dampness – which means the horse dries off more quickly. The breathable saddle cloths with coat of arms are available in dressage and jumping styles.

The Passier Textile Collection is available from selected Passier stockists. More information and (web) addresses of the stockists at www.passier.com.
